3 generations serving at Hiway 80

Second-time around to Norma Garcia-Taylor, Rebecca and Marivel Hernandez, and Christian Irvine means volunteering again at the Hiway 80 Mission's Family Christmas Party.

Three generations working together to fill vital volunteer needs.

We first met Norma, her daughters and grandson last December. Norma noticed an article in the *Longview News Journal* asking for volunteers to help with our annual Family Christmas Party. She made the call and got the family plugged in.

Over the past year the family has helped with Thanksgiving Lunch, Meals on Wheels delivery and will help again

with gift wrapping and the Family Christmas Party. Being bi-lingual, Norma offers a valuable service to us and our clients. "Giving back to my community is important", stated

Norma. She and her family are excited to continue their volunteer legacy.

Merry Christmas from Gary !

I am excited about all of the events we have going here at Hiway 80 this Christmas Season. I first want to stop and thank all of our Veterans Day and Thanksgiving volunteers! Without you those events would have never happened. We still have a huge need for gifts to hand out to low income families at our family Christmas party. We would love for you to get involved by hosting a toy drive for us! Call me and ask how to volunteer. As we usher in the birthday of our king and savior Jesus Christ, lets not forget the needy and hungry this Christmas season. Thank you and I look forward to talking to you!
